C	15,379.4	33%

The screenshot shows the Tableau Desktop Public Edition interface. The main view is a stacked area chart titled "MONTH WISE COST OF GOODS". The chart is displayed on a grid. The Y-axis represents the cost, and the X-axis represents time. The chart is composed of six stacked areas representing different product lines: Electronic accessories (blue), Fashion accessories (orange), Food and beverages (red), Health and beauty (teal), Home and lifestyle (green), and Sports and travel (yellow). The chart shows a significant dip in total cost around the middle of the time period. The interface includes a top menu bar with options like File, Data, Worksheet, Dashboard, Story, Analysis, Map, Format, Server, Window, and Help. Below the menu bar is a toolbar with various icons for navigation and editing. The left sidebar contains a list of data sources and fields, including "supermarket_sales - Sheet1" and "Measure Values". The right sidebar shows a legend for the product lines. The bottom status bar indicates the data source, dimensions, and measures used in the chart.
